

# I Want to Earn A Certificate Only

## TUTORIAL

This document is best viewed at 100 to 125%

This tutorial will give you step by step instructions for completing your *ROAD MAP TO SUCCESS* for a community college Certificate only. If your Educational Goal is different, please return to the iGraduate web site and select the proper Educational Goal. You will be taken to a different tutorial.

An imaginary student, *Angela Cuevas*, will be our example. Angela attends Pasadena City College. Her Educational Goal is to obtain a Certificate of Achievement in Child Development.

**Before you begin, you will need to have the following:**

1. A copy of the ***Ascending Lights: iGraduate "ROAD MAP TO SUCCESS" Academic Planning Tool for Certificate Only***. This document exists in Word and Excel formats. They can be found in the same folder as this tutorial.
2. Your community college Math and English Assessment Scores and Course Placements document/s.
3. Unofficial Transcripts (if you have any) of all of your community college coursework completed and in progress to date.
4. Your Community College's Catalog for the current school year and a copy of the page(s) that corresponds to the Major that you have selected for your certificate. A Community College Catalog can be downloaded from the community college's web site.
5. Your community college's Schedule of Classes for the current school semester. This can be viewed on the community college web site.

**Please look at the following examples of items 1-5 above before moving on to Step 1 on page 4 of this tutorial.**

**CHILD DEVELOPMENT OCCUPATIONAL SKILLS CERTIFICATE OPTIONS**

**Child Development Instructional Assistant**  
 The Child Development Instructional Assistant curriculum provides students with the necessary skills to seek employment as assistants in instructional programs for young children. Opportunities are available for work with children in a variety of settings including: homes, schools, and public or private agencies concerned with the development and welfare of young children. The program focuses on child psychology, curriculum planning, developmentally appropriate practices, safety, anti-bias environment, and provides practical experience. CPR, First-Aid training, TB and fingerprint clearances are required. Completion of this curriculum with a C or better grade allows the student to apply for the California Child Development permit at the Associate Teacher level.

**Requirements for the Occupational Skills Certificate (16 units):**

Semester 1  
 CHDV 120

Semester 3  
 \*CHDV 13A

\*Enrollment in 7 units or more including field practice.

Note the number of elective choices that Angela has in earning her Certificate. If her preferred classes are closed, or if they meet at inconvenient times, she has many other options available without delaying her progress!

## How to get the most out of your *ROAD MAP TO SUCCESS* Academic Planning Tool

### OPTIONS, OPTIONS, AND MORE OPTIONS

A good road map gives you ALL of the options needed to reach your destination. When you combine the required courses that you need for your major with the elective options available, you can see that you have many choices. If you find that classes are closed, or meet at inconvenient times, use your *ROAD MAP TO SUCCESS* documents to find alternate courses while continuing to move forward.

### HOW LONG WILL IT TAKE TO FINISH MY CERTIFICATE?

The GRAND TOTAL OF UNITS NEEDED (N) AND IN PROGRESS (IP) to complete your program can help you to figure out when you will complete your studies.

For example, Angela needs 29.3 units to complete her studies after her current semester. If she takes 6 units per semester, she will need 5 additional semesters to get her certificate.

## Finishing Up

**Congratulations on completing your *Personalized ROAD MAP TO SUCCESS!*** Take these 5 simple steps to finish up:

1. Staple together Your ***ROAD MAP TO SUCCESS*** Academic Planning Tool, your community college Math and English Assessment Scores and Course Placements, your Unofficial Transcripts, the copy of the Community College Catalog page(s) that corresponds to your Major, and your Schedule of Classes.
2. Meet with a community college counselor to convert your ***ROAD MAP TO SUCCESS*** into an official college Educational Plan and obtain a date and time to register for classes.
3. Browse the ***Schedule of Classes*** to select courses that fit with your *Personalized ROAD MAP TO SUCCESS (Academic Plan)*.
4. Be prepared to pay your fees immediately, as many college campuses drop students from classes if fees are not paid on time. If you applied for financial aid, **check the Status of Your FAFSA and BOGFW** applications.
5. **Register** for courses online or in person. Obtain a print copy of your Class Schedule.

***It is important that you register for classes as soon as your priority registration date and time allow.***

***If classes are closed, use your ROAD MAP TO SUCCESS to select other classes that meet the same requirements. Be sure to check course descriptions for needed prerequisites. Be sure to enroll in something. Your registration priority will improve with each semester successfully completed.***

### **General steps to “crash” a closed course:**

- A. Contact the instructor and ask if they might accept crashers for their course, and what the policy is. Find their contact information on the school web site by searching the “Directory.” Politeness will work in your favor. Usually, you will be required to attend the first 1-2 lectures and sign a waiting list.
- B. If you do not receive a reply, attend the first day of class anyway. If the instructor does not announce the crashing policy, ask after class is over.
- C. If the instructor wishes to admit you, he or she will give you an “add code.” Log onto the registration system and enter the Section Number and “add code” to bypass the closed course message. If the instructor does not give you an add code, you will not be able to add the course.
