### Section B

#### **ASSOCIATE DEGREE ONLY**

(I do not want to transfer to a four year university)

##### General requirements for all Associates degrees with no transfer intended.

- 1) All Associates degrees require a minimum of 60-64\* degree applicable units.
- 2) All Associates degrees require that the student pass freshman composition or college English.
- 3) All Associates degrees require that the student pass intermediate algebra.
- 4) Only one natural science course is required.
- 5) A Physical Education course and Self Development course are required.

##### Option 1 (Heavy on GE's, light on Major units)

- 1) Requires a minimum of 28-30\* degree applicable general education units.
- 2) Requires a minimum of 18 units in a major field or emphasis (See the college catalog for available degrees and specific requirements).
- 3) Add electives to equal a total minimum of 60-64\* degree applicable units.

##### Option 2 (Light on GE's, heavy on Major units). Some colleges call this an “occupational degree” or an “Associate in Science” degree.

- 1) Requires a minimum of 18-25\* applicable general education units.
- 2) Requires a minimum of 24-36\* units in a single major field (See the college catalog for available degrees and specific course requirements including prerequisites).
- 3) Add electives to equal a total minimum of 60-64\* degree applicable units.

\*Depending on the college and major.

Non-degree-applicable (NDA) basic skills courses are designed to prepare students for success in college-level classes. NDA courses do not count toward an AA degree.

#### **Getting Started:**

##### I will need:

- 1) My Community College’s “*Catalog*” (current school year).
- 2) A print copy of ALLN’s “*G.E. Progress Tracker*” (PDF file for Associate Degree) for my community college (also available at your community college’s counseling office).
- 3) Unofficial transcripts of all community college coursework I have completed to date.
- 4) My Community College’s “*Schedule of Classes*” (current school semester).

#### **Finishing Up:**

##### I will need to:

- 1) Photocopy the page(s) in my “*Catalog*” that describe(s) the curriculum for my major, including prerequisite and corequisite courses, recommended preparation courses, major courses, required elective courses, and recommended elective courses.
  - 2) Fill in whether classes are “Needed,” “In Progress,” or “Completed” on the “*G.E. Progress Tracker*.”
  - 3) Fill in all of the classes that I need to take from the “*Catalog*” and “*G.E. Progress Tracker*” on the “*Master Planning Worksheet*,” including all coursework from unofficial transcripts. Use the “*Additional Worksheet*” if more space is needed.
  - 4) Staple together the following: “*Catalog*” photocopies, “*G.E. Progress Tracker*,” “*Master Planning Worksheet*,” “*Additional Worksheet*” (if used), and “*Academic Plan*” cover sheet.
  - 5) Refer to my “*Schedule of Classes*” to see when classes are being offered and to select classes for next semester.
-

## CAREER AND TECHNICAL EDUCATION

At Pasadena City College, Career and Technical Education (CTE) programs have a primary goal of preparing students for employment or upgrading of job skills. This is done through the issuance of a Certificate of Achievement or an Occupational Skills Certificate.

### REQUIREMENTS FOR THE CERTIFICATE OF ACHIEVEMENT/ASSOCIATE IN SCIENCE DEGREE

Students interested in developing advanced levels of proficiency in a career and technical area may pursue a Certificate of Achievement, which requires the completion of 18 units or more. Pasadena City College currently offers 75 Certificate of Achievement Programs in 37 subject areas. Employer feedback suggests that strong academic skills are critical for success in today's high-performance workplace. It is, therefore, strongly recommended that students also complete the requirements for the Associate in Science Degree (see page 115). Students may earn only one Associate in Science Degree with a Certificate of Achievement.

Some programs will include certain subjects required by the College or by state law. Beyond these minimum requirements, programs will vary widely depending upon the vocational or professional goal of the student. Students who change their vocational goals during their course of study may find it impossible to complete the curriculum in the customary span of time and may need to take additional courses. Students should consult counseling services for information about specific requirements, any pre-requisites or co-requisites, and to develop an education plan that will assist them in reaching their goal. Upon completion of the specified curriculum for a Career and Technical Education program students may petition in the appropriate division office for issuance of the Certificate of Achievement. Students may earn multiple Certificates of Achievement.

All courses are described in **Section VIII, Course Descriptions**. In instances where the help of a counselor is necessary for proper understanding of requirements, the student should not hesitate to contact the office of Counseling and Career Services.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website at [www.pasadena.edu/CTE](http://www.pasadena.edu/CTE).

Requirements for the **Master Teacher** Child Development Permit\*:

Completion of the Certificate of Achievement requirements plus 16 additional general education units as follows: at least one course each in Humanities, Social Sciences, Math and/or Science, and English; a minimum (6 unit) specialization option, and CHDV 119, Child Development Mentor Teacher Practices. Completion of these courses with a C or better must be verified by official transcripts. The Administration Specialization (CHDV 112A and CHDV 112B) does not meet the State of California Child Development Permit requirements for the "Master Teacher" permit.

Requirements for the **Site Supervisor** Child Development Permit\*

Completion of the Certificate of Achievement requirements including A.A., CHDV 112A, Administrative Issues, CHDV 112B, Advanced Administrative Issues and CHDV 119, Child Development Mentor Teacher Practices. Completion of these courses with a C or better must be verified by official transcripts.

\*Permits are issued by the California Commission on Teacher Credentialing.

**Program Outcomes:**

1. Students will demonstrate through original written and/or oral presentations their ability to identify the theories and practices of the social, emotional, creative, cognitive and physical development of young children.
2. Students will demonstrate an awareness of and evaluate important factors in planning in child-care facilities and the ethical issues involved in working with young children.
3. Students will demonstrate responsibility as self-directed learners and facilitators of the practical application of theoretical concepts through structured interaction in child care settings.
4. Students will demonstrate an understanding for the planning and guiding of learning activities.
5. Students will demonstrate competency upon completion of structured mentoring experiences in approved learning partnerships with private industry.

6. Students will compare and contrast the skills necessary in working with and supporting families, diversity and program practices.
